

TASK 4 STRATEGIC RECOMMENDATIONS

Customer Acquisition Performance: Deep-Dive Analysis

PRESENTER

Keerthan Ms

Channel Evaluation

Objective

Evaluate ROI and Customer Acquisition Cost across four primary marketing channels.

Key Finding

Email Marketing drives highly efficient revenue.

"Paid Advertising operates at a severe deficit, requiring immediate optimization."

- Critical Audit Warning

Revenue Independent T-Test

Customer Consistency

Mathematically proves customers acquired via Paid Ads spend the exact same as those from Email.

Customer quality remains highly consistent across channels.

Strategic Recommendations

Capital efficiency must be prioritized.

By phasing out underperforming ad sets, we unlock critical capital to scale higher-yielding organic and direct retention channels, significantly lowering blended customer acquisition costs.

ACTION ITEM 01 // IMMEDIATE AD SPEND CUTS

Halt spending on the bottom 20% of underperforming Paid Ad sets immediately.

ACTION ITEM 02 // EMAIL MARKETING SCALE

Reallocate 20% of the saved budget into scaling highly efficient Email Marketing campaigns.

ACTION ITEM 03 // BIDDING STRATEGY AUDIT

Audit ad bidding strategy to aggressively lower Customer Acquisition Cost.
